Centrifuga, Solhverv

CORBETT VS DEMPSEY

Centrifuga | [Solhverv 1](#) | [Solhverv 2](#) | [Solhverv 3](#) | [Solhverv 4](#)

Legendary free jazz recordings from 1964 and 1965, with the Danish pianist alongside Fritz Krogh on tenor saxophone, Poul Ehlers on bass, and Finn Slumstrup on drums.

'Close-miked percussive sax-pad treatments that swing like mad and give the music a VERY radical profile and color,' writes Mats Gustafsson in his liner notes. 'I have NEVER heard anything like it.'
